I have been receiving TSS
Scholarship through MUKTI since 2018. I
have benefited a lot from this scholarship
and I am able to study very well. My
family condition is not good, so without
this scholarship, I might not have been
able to pursue my studies properly. I
want to study a lot more in the future.
I am forever grateful for the help
you are giving through the scholarship

If you continue to give this
scholarship then not only me, many helpless
poor students will benefit a lot.

Thanking you.
