Respected Sir,

Hello Sir, Hope your health is well. With due respect, I, Kusum Sahu, beg to state that I have been receiving Mukti scholarship since 2022. I have gotten the news of this scholarship from Biplab Kumar Dey Sir, when I gonna selected for the fellowship, it's just a blessing on my life.

I am now pursuing M.A. (2nd sem.) in English. I have completed my graduation (D.G.) from Midnapore college (Autonomous). I have admitted in the same college for P.G. purpose. Our college has not provided the marksheet. Therefore, your blessings and your financial support is highly needed sir. Otherwise I can't continue my Master Degree.

I shall be highly obliged if you kindly allow my further scholarship. I convey my hearty gratitude to the entire team of Mukti and to you sir and wish your well being sir. There are so many organisations, but the way

Mukti serves the needy students. is incomparable. The members are always taking educational updates from the students, that is really appreciative.
