Respected Sir,

I am truly thankful to you for the scholarship with the help of your generous contribution. I will now be able to pursue my matriculation at Rammohan College without any hassles.

At present, I am studying in first year of matriculation. Due to my family's financial condition I was facing difficulties in arranging the fees for my course. But because of your help, I will be comfortably continuing my studies.

Without your kind contribution, it would not have been possible for me to complete the matriculation. I will be always grateful to you.

Thanking you once again.

Sincerely,

Mousumi Acharya.
