

24/07/22,

To

GrSCA scholarship donors,

Thank you for the opportunity to receive the GrSCA scholarship through 'MUKTI' organisation during the 2021-22 academic year.

My name is Nilay Hazra and I am currently in the 3rd prof. part 2 (final year) of my MBBS course. After MBBS, I would like to seek employment to one of my local health centers and serve common people. I want to inspire those needy students to ~~pre~~ pursue their dreams and help them to overcome their financial difficulties.

Finally, I want to thank again to my Scholarship donors. I am grateful to them because I am able to focus on my study for their support. I hope in turn one day I will be able to give back and help other students to achieve their goal.

Sincerely,

Nilay Hazra
