

To,
Mr. Niladri Nath Bagchi

Respected sir,

I am a last year student of zoology honours at "Charuchandra collage" under Calcutta university. The exam of my 6th semester is going on and the last exam will be held on 4th august. My exam went pretty well. I have passed the previous semester (SEM-5) with 8.688 SGPA marks. Now I am searching for a good MSc collage. After completing BSc, I want to do MSc. As the entrance exam of Visva-Bharati Santiniketan will be held on 3rd august, one day before my last exam, I can't give the exam and I will miss one opportunity.

I have been receiving the scholarship since 2017. I am very thankful to you and team "MUKTI" for giving me this opportunity. It helps me a lot to handle the expenses of my books and tuition fees. Your encouragement gives me mental support to move forward without any fear. You inspire me to become a better human being and to do something good for our society. I have started teaching from your and ma'am's encouragement, now I love to do that. I am very grateful to you and also to team "MUKTI" for giving me the chance and introduced me with such beautiful and kind hearted people. I want to request you to keep blessing and showing me the right path of the life. I am also requesting to keep supporting me.

Thanking you.

Your sincerely,
Payel Mondal
