Dear sir,

I am Rahul Ray. Now I am studying Bachelor of Engineering in Printing Technology at Jadavpur University. Now I am studying in 3<sup>rd</sup> year 1<sup>st</sup> semester of this course. Our previous semester examination was held in the month of June but we couldn't get the result of our previous exam. Now I am learning programming language in this 2 month of semester gap to increase the probability of getting internship at the end of 3<sup>rd</sup> year. Our 5<sup>th</sup> semester class will be start from 25<sup>th</sup> July. Sir I had been going to college regular from my house since last 2 years. But I was facing problems to do journey and after returning home I was feeling tired. So, I decided to take hostel from the 3<sup>rd</sup> year. I got the 3<sup>rd</sup> quarter disbursement of the scholarship. This scholarship is very much helpful to me to grow and for the support of Mukti and you I am able to study without remembering any economic problems.

Sir I am requesting you to support me in this way, for this I can made a bright future. Sir without your help I am not able to continue my study. Sir, please continue my scholarship. I am very much grateful to you and Mukti.
