Respected Sponsor,

My name is SAYOREE SHARMA and I am one of the recipients of MUKTI-TSS scholarship. Thank you so much for the sponsorship and this scholarship able me to pursue my passion for **Diploma in Elementary Education**. I'm a 1st year student and I am looking forward to pursuing my career as a teacher upon my completion of this course in August 2023 .

I belong to a middle class family and the annual income my family is low . Recently on 23rd January ,2020 my father has died by cardiorespiratory failure. So, I really need the scholarship money for my studies. By the scholarship money I can able to pay half of the yearly fees of my college .

The scholarship paid for my college fees which alleviated my financial burden and allowed me to focus on my studies. Thank you for your continued sponsorship of the MUKTI -TSS scholarship.

Yours sincerely,

SAYOREE SHARMA
