Mr. Rabindranath Ganguly,

Date: 25.07.2022

Respected Sir,

I am Shuvadeep Mitra and I am one of the recipients of MUKTI Talented Students Sponsorship Program. I have been receiving the scholarship for a couple of months and in this regard I am writing to express my <sup>Sincere</sup> gratitude to you for your financial support. I also appreciate your kindness and willingness to contribute to my future education.

I am currently doing my B.Sc. Honours in Mathematics from Jadarpur University and I have given the final year final sem examinations of my course in June 2022. Now I am looking forward for my results as that is not yet published.

I am truly grateful for the scholarship support. It allows me to focus on my studies and helps me for availing additional educational opportunities. I once again thank you for your generous support in achieving my goals.

Thanking You,

Yours faithfully  
Shuvadeep Mitra
