SUB:- Thank you Letter

Respected Sir,

First of all I would like to say that, I am sincerely honoured to have been selected as the recipient of The “Talented Students Sponsorship”. I am writing to thank you for your generous, financial support towards my higher education.

At present, I am studying in first year(2nd Semester) Chemistry Honours U.G course at Midnapore College (Autonomous). Since Midnapore college is so far away from my house, it is not possible for my family to arrange the fees for my study, mess charge, food charge, books fee, tuition fee, etc. My father works in the 'brick field'. My family’s financial condition is very bad. My parents studied me so far with great difficulty. I was very worried about how I would continue my studies. so I really needed you financial help. This financial help from you has awakened a new enthusiasm in my mind. your financial help is helping me to continue my studies in a better way. I would like to thank you very much again for your support.

And I must thank “Mukti” through which I have been selected for this “TSS scholarship”. I would say that “Mukti” is truly incomparable. Throughout the year “Mukti” has been working selflessly for the poor and needy people. “Mukti” not only help the backward people of the society but also Shown the way out from “poverty”. I salute every member of “Mukti” for the way they are helping the underprivileged people of all societies irrespective of “race”, “religion”, and “caste”.

Now my 2nd semester exam is going on. I got 9.60 SGPA in 1st semester examination. Our result is out in online, so I haven’t got the marksheet yet. I am sending you the screen shot of my result with this letter.

Thanking you:-

Yours Sincerely

Souvik Jana
