MUKTI Australia

Hope you all are well by the grace
of God.

I'm Sujan Mondal from Sundarban. This
year I've done my 12th standard from 'Krishna
chandrapur High School'. I want to become an
'engineer' in future.

I and my family are grateful to you
for your generous contribution. I also want to
help the needy students.

I was worried enough to continue my
studies due to our economical imbalance. But
we are helpful and happy now for your help.
Now I'm doing my studies very well.

Thank you again and 'MUKTI' also for your
contribution and dedication at every level of
society.

Yours lovingly
Sujan
