Sir,

I am Tanu Jaiswal , a student who is in debt of your gratitude for helping me financially through your NGO "Mukti". Presently I passed out from Higher Secondary stream Commerce from a school in Kolkata Girishpark "Seth Soorajmull Jalan Balika Vidyalaya". It's your great help that today without any financial pressure I am doing my study.

After getting results I applied for admission in various colleges.

I also want you to thanks for the prize money.

Now, coming to my family background there are five members in my family including me . My mother is a housewife and my father is a daily payment worker in a factory and my younger sister is studying in class IX . We live in a slum area in Kolkata.

My academic studies are going well. Currently I am doing Tally basics in computers from Ramkrishna Mission.

I am trying my best to improve my academics and prepare myself for current situation and to choose right path in my life. With your help in my past and present, I have learnt the importance of a

supporting someone and today I hope that in future I could become a support in someone's life just like

you did in my case. Thank you sir once again for all your kindness, I am lucky that the one above us have

sent you to me.

Thanks and Regards

Yours truly,

Tanu Jaiswal
