Dear Sir,

I, Tithee Pal, a recipient of the TSS programme under Mukti of 2021-22 session, am writing this letter to give you thanks for your generous financial support towards my higher studies. Through your assistance, I'm able to pursue my study.

I'm a student of English Hons. Recently, my 4th Sem exam has been completed properly. So, unofficially now I'm a 5th Sem student, as the admission procedure of 5th sem has yet to ^{be} started.

As you know very well that, I would like to sit for HBCS exam in future. In this regard, I would like to express my heartiest gratitude to you. Because by providing some necessary books related to this exam, you have helped me to pursue a little bit towards achieving my dream.

Thank you again for your generous assistance. I hope, you will always stay with me during my journey.

Stay safe and healthy.

Dakshinkhanda, Murshidabad.
