Mr. Arun Saha

MUKTI AUSTRALIA

Respected Sir

Hope you are well in this pandemic situation abroad. I am Abhirup Banerjee, a student of Microbiology honours, 6th semester (3rd year), Kolkata. I applied for MUKTI TSS SPONSORSHIP in the year 2020 because of the increasing expenses on my study could not met by my parents.

You will be glad to hear that I have successfully completed my B.Sc Microbiology honours course. In this journey, you have supported me a lot. You are supporting my higher education, not only that, you are helping me to achieve my goals in my life. I will never let you down. After B.Sc, now I am keen to pursue M.Sc degree on Microbiology.

I would like to say a big THANK YOU to you and whole MUKTI team as they are giving a golden opportunity to many students like me. If you have any questions, please ask me anytime, anywhere.

My contact no: - 93302 18417

I look forward to hearing from you.

Thanking you

Yours sincerely

Abhirup Banerjee
