Ma'am,

How are you? Hope you are doing great.
I am fine here.

My final semester examinations got over very recently and I am looking for an admission to M.Sc. (Chemistry) degree. Few entrance tests for M.Sc. will be held in reputed Universities, so I am preparing for those, nowadays. This scholarship helps me a lot in pursuing my studies. Thank you for keeping ~~back~~ belief in me. Thank you MUKTI.

lots of regards.

Yours affectionately
