Sir,

Most respectfully I want to inform you that I am Sourik Das, live at Arjanagar in Guptipara under the Hooghly district. Now I am a regular student of Guptipara High School in the science stream. My father Debashis Das is a poor farmer. Nowadays it is very difficult for my father to carry out my education expenses with such meager income.

The scholarship which is given to me by 'Mukti Foundation' helps me very much. I and my family are very thankful to you. After receiving the scholarship I have bought my necessary books, study materials and from this I have also given my tuition fees. For this financial support I will be able to continue my studies.

P.T.O

I am very grateful to my honourable sponsor Srijan Realty Pvt. Ltd. and Mukti Foundation for giving me the scholarship. It will help me to get success in my life. The scholarship helps me too much. Take regards.

Thanking You.
