Subject: Thanks Giving Letter

Sir,

My name is Prasantha Chhatui. Currently I am studying in 2nd year MBBS at R.G.KAR MEDICAL COLLEGE and HOSPITAL, KOLKATA. My father is a mason and he is the only earning member of our 4 membered family. So it was very difficult to pursue my higher studies. Last year I got to know about MUKTI's Talented student Scholarship that gave me hope to continue my studies. I am really thankful to my sponsor Srijan Realty Pvt. Ltd. for helping me financially to continue my studies. I also want to thank MUKTI for selecting me and helping me to pursue my dreams.

Thanks and Regards.

Prasantha Chhatui.
