Sub:- Thanks Giving Letter

Ma'am,

With Due respect, I, Soumyadeep Giri, would like to inform you that I have been receiving scholarship from you through TSS programme conducted by MUKTI, since 2020. As you are already informed through our last meeting at MUKTI Office, I had passed with 98% marks in H.S. exam in 2022. After that, I attempted for NEET 2022 but fell short for a margin of one mark to secure a Govt. MBBS seat. Therefore, I joined IISER KOLKATA to pursue 5 years integrated BS-MS Research programme. But as being Doctor was my ultimate dream, I also prepared for NEET 2023 along with college. I am fortunate to inform you that this time I have succeeded in this exam with 650 marks out of 720. My All India Rank is 7254 with 99.64 percentile. The counselling process is going on now. This time, I am expecting to get admission into a decent Medical College.

I want to pay my heartiest gratitude to you ma'am. You stood by me at that very moment when I needed someone. Except your help, probably, I wouldn't be able to manage my study expenses to fulfil my aim. In 2020, I was completely unknown to you and you stretched your hand to help me- this fact inspired me more to do well, not to give up and to chase my dream. Before entering into the Medical College, I am seeking your blessings so that I can be successful in my run of life and possess a kind heart like you to serve more people, not only in my profession but also somebody like me to proceed in their life. Thank you MUKTI and Thank you ma'am so much.

Thanking you,

Date- 26/7/2023

Yours sincerely

Soumyadeep Giri
