Respected Sir,

I am a student of 2nd Prof. M.B.B of Calcutta National Medical College. I am receiving your scholarship from last year. Your scholarship helped me very much in last year to buy my books, hostel canteen fee etc. and my life is now movable due to your help.

I want to continue your Mukti scholarship. In future, I hope you will support me and I shall continue my next year studies without headache of money.

Many many thanks to Mukti unit to start such a TSS programme. I hope all the recipients of this scholarship must be greatfull to you & many of them also help you in future by sponsorship.

Your faithfully,
