

To,

GARDEN STATE CULTURAL ASSOCIATION [GSCA]

Respected Sir ,

My name is Ankan Mondal and I feel lucky to be a recipient of TSS . I am the first in my family to attend college. I am writing to thank you for your generous, financial support towards my higher education.

*I want to be a Biotechnologist in future. I am currently studying B.Sc. Microbiology Honours in Dhruba Chand Halder College under Calcutta University. My **Semester-VI** exam is going on. The result of Sem-VI exam will be available in a few months.*

My father is a marginal farmer. Due to poor financial condition it is very difficult to make my dream come true. I am worried about how I will complete my M.Sc. after completing B.Sc .

Your financial support has affected me a lot. I bought necessary book with that money and also it required to pay every month tuition fees. My education pursuits would not have been possible without your generous donation. Your generosity is allowing me to make my goals and dreams a reality. I hope in turn one day, I will be able to give back and help others student to achieve their goals.

Thank you for your continued sponsorship.
