

To,

Mr. Nilotpall Ganguly.

Sub: Thanking to Mr. Nilotpall Ganguly sir for sponsoring my scholarship.

Sir,

I am Rahul Ray. Now I am studying in Jadavpur University in the department of Printing Engineering for the degree of Bachelor of Engineering. Now I am studying in the 4<sup>th</sup> year 2<sup>nd</sup> semester of this course. Our previous semester examination was held in the month of December of 2023, but we couldn't get the result of our previous exam. Our placement season is ongoing. I am preparing for placement. I also filled up Gate examination form in the CSE paper. The exam is on 10<sup>th</sup> February of 2024. I am preparing myself for the exam. If I will secure a good rank on it, my desire is to admit on any IIT in M.Tech course. I got the first quarter disbursement of the 2023-24 Mukti TSS Scholarship. I have been getting the scholarship from you through Mukti since 2017. This scholarship is very helpful to me to grow. For the support of Mukti and you I am able to study without remembering any economic problems.

Sir, I am requesting you to support me in this way, for this I can make a bright future. Sir, without your help I am not be able to continue my studies. I am very much grateful to you and Mukti. Thank you Mukti, thank you sir.

Bangshidharpur,

17/01/2024.

Yours sincerely,

Rahul Ray.
