Mrs Jharna Das,

Ma'am,

With due respect, I would like to inform you that myself, Soumyadeep Giri, have been receiving the scholarship from MUKTI since 2020. Previously, I was sponsored by Mrs Jayati Roy, Mukti Australia. I have passed Madhyamik exam from Namkhana Narayan Vidyamandir in 2020, securing 97% marks. I have passed my H.S. exam in 2022 from same school, securing 98% marks. During the lockdown period, the financial support I got from MUKTI, immensely helped me to carry on my studies. I had a dream to become a Doctor. Therefore, I appeared in NEET 2022. Unfortunately, I fell short of one mark to secure a Govt. medical college seat in my very first attempt. I took admission in IISER-KOLKATA(AIR-603) to pursue 5 years Integrated BS-MS course. But, to fulfil my dream, I again appeared for NEET-2023 and secured AIR-7254 with 99.64 percentile. Presently, I am a first year MBBS student at IPGME&R-SSKM Hospital, Kolkata. My studies are going good.

In my journey, I have received the kind help of MUKTI's TSS programme, which has eased for me to bear my study expenses. Besides, the lesson MUKTI gives about humanities and serving needy people through various activities, inspire me a lot. I wish I will get support from you in future so that I can get established and serve more needy people in my society. Thank you so much ma'am and Thank you MUKTI again.

Yours sincerely,
