Subject: Thanks Letter.

Respected sir,

This letter is to pay towards all your kind wishes and financial aid towards my dream, my education. I am studying on BSc (or) 4th year in College of Nursing, R.M. Tagore Hospital, Kolkata; I make my dream come true. It is not possible without your help. Your monetary token is really helpful as a stepping stone towards the goal that I dream for since 2018. "Mukti" our greatest organization is facilitated this scholarship for me.

In previous year, I had given my university exam of 3rd year but result is not out till now. As soon as I get my result, I must share it. I would like to thank you and our great organization "Mukti" for such a kind initiative and for helping us. I should be grateful if you don't cancel my fellowship.

Yours sincerely
