TSS Scholarship

Sub: Thank you letter

Respected Sir,

I am Abhijit Chowdhury currently pursuing BE at Jadavpur University in the department of computer science and Engineering. I am currently studying in 3rd year. I have gotten TSS scholarship of an amount of 5.4k. It was donated by my sponsor. This scholarship has helped me a lot for getting economical stability in terms of the necessary costs for my college study. After lockdown my family's economical condition was collapsed and my family was struggling for continuing my college study. But after getting TSS scholarship I can avail my college expenses in terms of mess bill, hostel. As I am not getting any government scholarship, so Mukti scholarship is necessary for me as my family's economical condition is still not up to the mark.

So, I am really grateful to Mr. Pradip Chanda
and also Mukti for selecting me for this scholarship. I want to thank TSS from my heart.

Your's faithfully,

Abhijit Chowdhury, 3nd year CSE
