

To,
The Sponsor (PRIMARC),
TSS Scholarship

Sub: Thank you letter

Respected Sponsor,

I am Anshuman Mandal currently pursuing B.E. at Jadavpur University in the department of Mechanical Engineering. I am currently studying in third year. I have gotten TSS scholarship of a certain Amount from TSS. It was donated by **PRIMARC** . This scholarship has helped me a lot for getting economically stable in terms of the necessary costs for my Graduation study. My family is struggling for continuing my study but after getting TSS scholarship I can avail my college expenses in terms of mess bill at hostel. As I am not getting any government scholarship, TSS scholarship is necessary for me as my family's economical condition is still not up to the mark.

Therefore, I am really grateful to PRIMARC and also to TSS for selecting me for this scholarship.

Yours faithfully,

Anshuman Mandal
