Sir,

With due respect, I would like to inform you that myself, Tanmay Deb, have been receiving the TSS Scholarship MUKTI from this year 2025. The financial support from Anmol Industries is immensely helping me to continue my studies. I have passed my 1st year professional MBBS examination with an aggregate 61.44%. Now I am in 2nd year. My studies are going well.

During my journey I have received the help of MUKTI TSS programme, which has supported me to bear my study expenses. I wish I will get support and blessing from you in near future so that I can establish myself as a successful person and help the needy in future. Thank you so much ANMOL INDUSTRIES and MUKTI for that belief.

Yours sincerely,

Tanmay Deb
