

Respected Sir/Madam

I hope this message finds you well.

My name is FARUK Ahamed SK, a 3rd year Mechanical Engineering student at Jadavpur University. I am writing to sincerely thank Anmol Industries Limited and the Mukti Foundation for awarding me the scholarship.

Coming from a financially challenged background, continuing my education was becoming difficult. Your generous support has eased the burden on my family and allowed me to focus fully on my studies. This scholarship has not only helped me financially but also encouraged me to work harder and stay committed to my goals.

I am preparing to appear for the GATE exam and hope to pursue M.Tech in the future. Your support has brought me ~~me~~ one step closer to that dream.

Thank you once again for your kindness and support. I hope to make the most of this opportunity and some day give back to others, just as you have helped me.

Date - 05.04.2025

Place - Jadavpur.

Yours faithfully,
FARUK Ahamed SK
