The Sponson,
MS. Sukla Basak,

Sub:- Gratitude for helping me for my study.

Respected MS. Sukla Basak,

Myself Satyabrata Patra, Chemistry honours student, from Ramakrishna Mission Vivekananda Centenary College, a sponsored boy from you with the help of mukti. I am writing to express my deepest gratitude on behalf of myself to Sukla Basak for the incredible support that you have extended towards our educational endeavors.

The financial assistance provided by you has not only relieved the burden of educational expenses but has also served as a source of inspiration to me. Your belief in the power of education to transform lives is reflected in the opportunities you have created for these individuals, allowing them to acquire knowledge, skills and confidence that will shape our future.

We understood the importance of collaboration in creating a better tomorrow and we are proud to be partners with mukti. I want to study further (Ph.D) in Germany. Once again, thank you for your unwavering support and also mukti for connecting you.

Date:- 28.03.25

Yours' faithfully
