

To

Mr. Anirban Banerjee,

I am writing to express my heartfelt gratitude and seek your kind consideration regarding my current situation. My name is Arnab Manna, a B.Tech student, currently in my Eight semester. The scholarship has been a tremendous support, allowing me to pursue my higher studies despite financial constraints.

I come from a financially disadvantaged family, and my father, who is a farmer, has always worked hard to support us. The assistance from Mukti has been invaluable in helping me continue my education.

However, one year ago, my father met with an accident, which has further strained our financial situation. Given these challenges, I am reaching out to express my sincere gratitude for the support Mukti has extended so far and to humbly request any additional assistance you may be able to provide.

Thank you again, Mr. Anirban Banerjee, and Mukti for the unwavering support that has enabled me to pursue my studies. I am truly grateful.

Yours faithfully,

Arnab Manna
