Sub:- To increase the sponsor money.

Dear Sir,  
With due respect, it is informed you that I, Sri Subhajit Halder, son of Rabin Halder of vill + P.O = Damkal, P.S. - Raidighi Dist 24 Pgs (S), am a sponsor candidate of your esteemed trust. Now I am studying B.A. with eng, Hons (First year), I am well prepared for the first year examination. Admit Card also is to my hand. Before only one day of the said examination I get a chance to admit in a Basic College. I accept it and take admission for Basic training. So I cannot sit for the first year examination. This is my immense ambition that after completion of two years Course Basic Training I will complete the B.A. with eng (Hons) exam.

Now I am facing with great money problem to complete the Basic. I need more or less one lakh seventy thousand rupees, which will be paid by instalment. My father is a farmer and no other earning member is in my family. In this helpless condition I remember you and pray your kind helping hand to solve my economic problem. If you kindly increase my sponsor money I will be benefited.

Hope your kind consideration will help me to touch my target and will gratify me and my family. With great anticipation. Yours faithfully  
Subhajit Halder
